Re: Gary Development Landfill Site (CERCLIS No: IND077005916);
Extension to Respond to Request for Information, Section 104(e) of CERCLA

Dear Ms. Sheppard:

Waste Management of Indiana, L.L.C., on behalf of Calumet Waste Systems ("CWS"), received U.S. Environmental Protection Agency's ("EPA") Request for Information, pursuant to Section 104(e) of CERCLA, for the Gary Development Landfill Site on December 7, 2011. As stated in your letter, EPA has provided CWS with 30 days to submit a response. As a result, CWS is required to submit its response by January 9, 2012.

CWS will need an additional 45 days to respond to EPA's CERCLA 104(e) Request for Information. This extension is needed because the period EPA has identified for this request is over 20 years ago (1975 to 1989); EPA's Request has 37 requests; and many of the requests have multiple subparts, in particular, Request Number 2 has 26 subparts. As a result, CWS will submit its response to EPA's CERCLA 104(e) Request for Information by February 23, 2012.

If you have any questions, please contact me at (713) 328-7187.

Best Regards,
